

Industrie-Elektronik

QUALITY MAKES THE DIFFERENCE

WARRANTY

We top it once more!

Your 5-Star BVS-Premium-Benefits

- ★ 24 months warranty* for repairs, exchange repairs, spare parts/new parts sale or ECOFIT-Projects on the complete assembly
- ★ High and fast availability - 24/7-hotline, optional urgent repair, over 100.000 assemblies on stock
- ★ EC machinery directive compliant remanufacturing
- ★ Preventive product overhaul with exchange of all parts, underlying aging or high wearing and identified as weak spot resp. as safety risk.
- ★ Functional- and stress test for each assembly

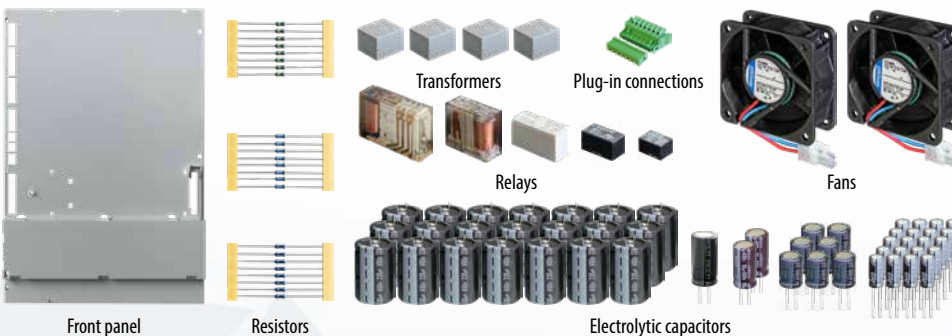

Now: 24 months warranty*

The BVS Industrie-Elektronik GmbH extends the warranty* from July 2020 on for the complete assembly from 18 to 24 months for:

- product overhaul repairs
- reconditioned replacement parts
- reconditioned exchange modules
- new parts

The warranty extension does also apply to all preventively remanufactured and exchanged assemblies within an ECOFIT-Project.

This extension is a result from a permanently ongoing know-how development based on a world class quality of our services. Every remanufactured assembly has been cleaned carefully and inspected religiously right after entering our house. We do not only exchange defective parts but also preventively those, which are liable to wear, based on our experiences. By this means we minimize your maintenance costs and maximize your plant availability. Ever and strictly subjected to the EC machinery

Example of a preventive remanufacturing spare part bundle for a Simodrive 6SN1145*/6SN1146*.

If you have any questions, we are at your disposal around the clock.

QUALITY MAKES THE DIFFERENCE

WARRANTY

Before

After

directive 2006/42/EG. For this reason we make sure that product safety associated with the **machine certification** remains. The quality of our repairs we also ensure with the **exclusive usage** of **new and original** or from the **manufacturer** or from a **legislative authority approved parts and components**.

Subsequent on the repair process we are testing your assemblies within realistic on-site

conditions. Over **100 test stands** give us the possibility to perform **final multivendor-capability tests**. Here our technicians have access to **OEM test rigs** and various in-house developed tests stands for extensive special test procedures.

"Quality makes the difference" – now and in the future. Secure yourself now **24 months warranty*** and set new standards together with us.
